

FILM ACADEMY OF CINEMATIC EXCELLENCE

ABOUT US

Welcome to FACE: Film Academy of Cinematic Excellence. The Academy is located in one of the biggest film Studios in Mumbai. Haven't you always wanted to experience what a real set looks like? Or see a clapperboard and with a loud 'cut!' signal the ending of a scene? With FACE, you have the opportunity to interact with the directors, actors and the entire technical team, and gain key insights and experience of the cinematic landscape. AT FACE, you have the chance to experience the magic of filming and cinema. Once you step out of the campus, you already have hands on knowledge and an excellent portfolio ready to showcase your skills and ability. That is you - a well packaged, self-driven product.

*Only at FACE Film Academy of
cinematic Excellence!*

CINEMATOGRAPHY

3.5 Months Course with Portfolio Building.

24 LECTURES, 2 DAYS A WEEK. 3 HOURS A DAY.
WEEKDAY (PRACTICE & ASSIGNMENT)

The goal of the cinematography course at FACE Academy is to help students master the art of visual storytelling. It teaches them how to use cameras, lighting, and techniques to create powerful and beautiful visuals.

Students will learn how to plan and shoot scenes, work with professional equipment, and bring creative ideas to life. By the end of the course, they will have the skills and confidence to work on real projects and stand out in the film and media industry.
